

Viking Centre Fugledegaard

The 10th Tissø Viking Festival returns on October 5th and 6th 2019 for the celebration of Tissø's long viking heritage.

Enjoy a dag at the festival. Take a stroll down the paths between the 80 tents, where vikings show their craftsmanship and offer their produce.

You can experience:

- warrior training for children
- viking battles
- bow & arrow, try the viking's favorite weapon
- make your own viking coin
- eat and drink like a viking
- participate in the worshipping of the Nordic Gods
- and much more

On display in the visitor centre you will find a replica of the Tissø Ring. The original is made of 1,8 kg solid gold, found in the neighbouring field in 1977 and can be seen on display in the National Museum in Copenhagen.

The visitor centre also shows our introductory film, vividly re-telling the story of the life at Tissø during the viking age.
